Professional Summary

Results-driven Technical and Creative Project Manager with over 7 years of cross-functional experience steering digital initiatives, software deployments, and media productions. Adept at bridging the gap between development teams and non-technical stakeholders using Agile and Waterfall methodologies. Proven track record of managing project budgets, resolving high-stakes operational crises, and delivering user-centric digital products under tight timelines.

Core Competencies

- **Project Management:** Agile Sprints, Waterfall Methodology, Project Scoping, Resource Allocation, Risk Mitigation, Stakeholder Management
- **Technical Frameworks:** Flutter, React, Next.js, Python, Java, PHP, SQL, HTML/CSS, Tailwind CSS, Jira, Asana, SharePoint
- **Design & Media:** UI/UX Wireframing (Figma), Adobe Creative Cloud (Photoshop, After Effects, Premiere Pro), Motion Graphics
- **Business Operations:** Financial Reconciliation, Advanced Excel (Pivot Tables, VLOOKUPs), SPSS Statistics, Crisis Communications

Professional Experience

Full-Time Guest Service Agent & Night Auditor | *Home2 Suites by Hilton, Brantford* | Mar 2026 – Present

- Manage full-cycle overnight hotel operations, ensuring data integrity, asset protection, and seamless continuity between daily shift changes.
- Perform nightly audits of property financial systems, balancing cross-departmental revenue sheets and resolving transaction discrepancies.
- Function as the sole on-site decision-maker during high-stress overnight windows, independently de-escalating guest conflicts and managing facility emergencies with calm, clear communications.

Location Support Personnel (LSP) | *Take 1 & Concepts Location Services* | Aug 2024 – Present (Seasonal / On-Call Contract)

- Direct on-site logistics for large-scale production crews, ensuring rigorous compliance with municipal permits, safety protocols, and spatial regulations.
- Serve as the primary operational point of contact between corporate production teams, municipal authorities, and community residents to minimize operational disruptions.
- Actively manage public relations and crowd control in high-traffic environments, swiftly resolving complaints to protect organizational reputation.

Senior Project Manager & Technical Lead | *Bisa Technologies* | Jun 2023 – Oct 2023

- Directed a cross-functional team of developers and data analysts, optimizing workflow automation for international, high-profile organizational environments.

Samuel Roland Vroom

Paris, ON | sr.vroom@outlook.com | +1 (548) 255-7484
LinkedIn: linkedin.com/in/samuel-roland-vroom

- Successfully mitigated a critical, high-pressure credentialing failure for elite international dignitaries at the 30th Annual Meetings of the Afreximbank (AAM2023) by rapidly deploying an on-site QR alternative framework.
- Led technical demonstrations of the AkomaCare platform to the Ghana Heart Initiative (GHI) Board, translating complex technical and health data into actionable business insights for executive leaders.

Project Lead / Strategic Communications | *Click Communications Limited* | Feb 2018 – Jun 2023

- Spearheaded developer workflows and marketing alignments to guarantee unified, scalable brand deployments across complex digital landscapes.
- Structured and monitored multi-phase project budgets, allocating technical resources efficiently to eliminate scope creep and project delays.
- Boosted user engagement by 30% by championing mobile-responsive product designs, continuous SEO tracking, and data-driven iterations.

Key Technical and Portfolio Projects.

Freelance Technical Project Manager | *Independent Portfolio* | 2025 – 2026

- Managed the end-to-end deployment of a responsive web presence for a creative media initiative; gathered stakeholder requirements, designed high-fidelity UI/UX mockups in Figma, and executed full-stack deployment.
- Consulted with independent clients to audit digital goals, defining technical scopes and delivering optimized web solutions using modern CSS and frontend architectures.

Media Production Practicum | *Conestoga Connected & CCDTV* | Jan 2024 – Apr 2025

- Produced public-facing video narratives from concept to delivery as part of an intensive academic broadcast program, coordinating timelines, equipment logistics, and post-production workflows for community organizations.

Education

- **Google Project Management Professional Certificate** | Coursera | In Progress (Expected 2026)
- **Ontario College Diploma: Broadcasting, Television & Independent Production** | Conestoga College, Kitchener, ON | 2024 – 2025
- **Bachelor of Science in Marketing** | University of Professional Studies, Ghana | 2012 – 2016
